NOVEMBER NEWSLETTER

BRIGHT SCHOLARS NEWS

From the Director's Desk

Mrs. Rolleri

Dear Bright Scholars Families,

As November arrives, we are reminded of the beauty of autumn and the many changes it brings. Just as the leaves change colors and trees prepare for a new season, autumn reminds us that change is also a beautiful part of our growth. In our children, these changes can be seen every day as they learn to be more patient, helpful, kind, and truthful. These little moments of growth help shape not only who they are today, but who they will become tomorrow.

As we approach Thanksgiving, let us take a moment to celebrate what truly matters: family, togetherness, kindness, unity, and love. It is a wonderful time to remind our children that gratitude comes from the heart and that even the smallest acts of kindness can make a big difference in someone else's life.

At Bright Scholars, we believe that education goes beyond the classroom. It is about nurturing little hearts, building meaningful relationships, and teaching values that will last a lifetime. Seasons may change, and our children will continue to grow, but the values of Bright Scholars will never change. From our hearts to yours, we will continue to lead with love, teach with patience, guide with kindness, and celebrate every little achievement along the way.

May this Thanksgiving season bring your families warmth, happiness, and countless reasons to be thankful.

Remember our Bright Scholars Core Values: Love, Learn, and Laugh!

With love and gratitude,
Mrs. Rolleri
Assistant Director
Bright Scholars Early Learning Academy

- November 11 – Veteran's Day – We Are Open
- November 25 – Early Dismissal @ 3:00 PM
- November 26–27 – Closed for Thanksgiving Break

Classroom Spotlight

VPK PART-TIME

This November, we're spotlighting our VPK Part-Time Class, led by Mrs. Jeannina Gonzales and Ms. Cristian Hernandez! In our VPK classroom, every lesson has a purpose! Our Scholars are developing essential kindergarten-readiness skills through intentional instruction focused on early literacy, phonics, number sense, problem-solving, language development, and social-emotional growth.

Through small-group instruction, hands-on learning, and purposeful activities aligned with Florida's Early Learning Standards, our teachers help each Scholar build the knowledge, independence, and confidence needed for kindergarten. We're not just preparing our Scholars for kindergarten. We're building the foundation for academic success!

Thank you, Mrs. Gonzales and Ms. Hernandez, for the meaningful work you do each day! ❤️💙

🦃 LEARNING BEYOND THE CLASSROOM

NOVEMBER FAMILY ACTIVITY: TOM HAS LOST HIS FEATHERS!

This Thanksgiving, let's find ways to spend more time together! 🍂
Spend a little time with your child helping to create a Family Feather to add to Tom, the Turkey, who somehow lost his feathers. Help your child decorate his/her feather with colors, drawings, words, pictures, stickers, glitter showing their creativity.

How to Participate:

1. Use the feather sent home by your child's teacher
2. Ask your child, "How would you like to decorate our Family Feather?"
3. Write or draw their answer and decorate the feather together.
4. Bring your completed feather to school to add to Tom, the Turkey. Help his find his feathers and watch him come back to life, one feather at a time!

❤️ Make It Special: Let your family's personality shine! You can include your child's name, family name, or anything that makes your feather unique.
