

# SUMMER CAMP

## Now Enrolling...Sign Up Today!

Dear Bright Scholars' Families,

We are proud to announce that we will offer Summer Camp for elementary children, Kindergarten through 5<sup>th</sup> grade. We have a full summer of fun and enrichment in store for your child! Your child will have a blast this summer as we explore weekly themes that include workshops and activities.

This year, parents will have the advantage of choosing which weeks their child(ren) will participate in summer camp. You may select as many weeks as you wish.

Weekly camp tuition is **\$195.00** per child. **Registration & Supply fee (\$100 total) is due at the time of registration.** This weekly tuition fee includes the cost of breakfast, lunch, and snacks! Summer Camp will operate from 7:00 am – 6:00 pm, but drop off after 10 am is not allowed without a doctor's note.

Tuition will be due May 28, 2021 for the weeks you select. If you choose 5 weeks or more your account will be charged half of the total tuition to secure your enrollment. The remaining balance will be billed June 25, 2021.

Every Friday, outside vendors will conduct in-school fieldtrips that are sure to score big with the children!

Please mark your selection(s) below to reserve your child's space for each desired week.
